

GYMNASTICS PLUS

THE KIDS' SPECIALIST SINCE 1977

The Ultimate Gymnastics Learning Experience

Ages 3 and up have the opportunity to participate in a program designed for boys and girls to develop gross motor and fine motor skills. All ages will be instructed, from beginner skills through advanced gymnastic skills.

Gymnastics lends itself to the development of a body and is a self-motivating activity which, through proper instruction, can be rewarding in many areas. *Strength, flexibility, balance, endurance, and coordination* are some of the physical rewards gained through gymnastics. The development of *courage, self-control, self confidence, and creativity* are just a few of the many other rewards one can gain through gymnastics. *No other training improves motor skills and body control better than GYMNASTICS.*

Classes are to be held here at school and are 45 minutes in length. The cost is **\$45** per month with a \$10.00 annual registration fee per student. For a second child in the family cost is still **\$40** per month. A full month's tuition is due each month, regardless of holidays or missed classes. Make-up classes are allowed, but must be pre-arranged with the instructor. Please see policy sheet regarding make-up classes. You must be currently enrolled in class to do make-ups. If a student chooses to drop gymnastics for a month or more, a \$15.00 re-entry fee will be charged. A written notice is needed when you choose to drop.

NOTE: Tuition is due at the first class each month. A late fee of \$10.00 will be charged after the 10th of the month. There will be a **\$15** charge on any checks returned to us. Please make check payable to: **Ashley Glass**
